O R D E R :

In the reference first read above, Government have granted a Mining Lease, for Quartz over an extent of 50.00 acres in Sy. No.183/P of Kondaboinapalli (V), C.S.Puram (M), Prakasam District, in favour of Sri.T.Venkata Ram Prasad for a period of 20 years and the Assistant Director of Mines & Geology, Visakhapatnam has executed the lease deed on 15.03.2002.

2. In the reference second read above, the Director of Mines & Geology, Government of Andhra Pradesh, Hyderabad has submitted proposal for lapsing the lease held by Sri T.Venkata Ram Prasad, under Rule 28(1) of Mineral Concession Rules, 1960 on the following grounds, for consideration of the Government :

- i. The lessee is not conducting any mining operations as well as not obtaining the dispatch permits from 01.10.2010 onwards and simply kept idle, hence it attracts rule 28 (1) of MC Rules,1960.
- ii. The lessee has failed to submit the monthly returns in Form F-7 and annual returns in Form H-7, which is a breach under rule 45 (1) (a) (ix) of MCDR, 1988.
- iii. As per MRA finalized upto 31.03.2012, the lessee having the arrears of Rs.20,243/- towards dead rent and Rs.29,082/-towards arrears dead rent and Rs.259/- towards S.R, which is a breach as per rule 27 (1) (c) (d) of MC Rules, 1960.
- iv. The lessee has failed to furnish the Environmental Clearance from MoEF, GoI and CFO from AP Pollution Control Board.

3. Government after considering the report of the Director of Mines & Geology, Hyderabad, it was proposed to lapse the above mining lease held by Sri. T.Venkata Ram Prasad and accordingly, a show cause notice was issued in the reference 3rd read above under rule 28 (1) of Mineral Concession Rules, 1960 as to why the Mining Lease held by him shall not be declared as lapsed, and submit his explanation/ representation within 15 days failing which it will be construed that he has no explanation/ representation on the action proposed and further action will be taken on the material available with the Government.

4. It should be noted in this regard that mineral wealth is the wealth of the nation and should be put to use for public good. Government gave mining lease so that the lessee could do mining scientifically within the prescribed time limits and use the mined mineral. Such a mine would generate revenue for the State by way of taxes, employment for the local people and give boost to the overall economy of the region besides industrializing the area. None of these objectives could be achieved due to the abject failure of the lessee.
